

CURRICULUM VITAE

NATE LINK, MD, MPH

Education

| Year | Degree | Field | Institution |
|------|--------|---------------|---|
| 1979 | B.S. | Zoology | Butler University, <i>Indianapolis, Indiana</i> |
| 1983 | M.D. | Medicine | Washington University, <i>St. Louis, Missouri</i> |
| 1989 | M.P.H. | Health Policy | Columbia University, <i>New York, New York</i> |

Training

| | |
|-----------|---------------------------------|
| 1983-1984 | Intern, NYU-Bellevue Hospital |
| 1984-1986 | Resident, NYU-Bellevue Hospital |

Academic Appointments

| | |
|--------------|---|
| 1986-1989 | Clinical Instructor, NYU School of Medicine |
| 1989-1992 | Clinical Assistant Professor of Medicine |
| 1992-2002 | Assistant Professor of Clinical Medicine |
| 2002-present | Associate Professor of Clinical Medicine |

Awards and Honors

| | |
|-----------|--|
| 1979 | Butler University <i>B.S., Summa Cum Laude with Highest Honors in Zoology</i> |
| 1981 | Washington University School of Medicine <i>Lange Memorial Award for Outstanding Academic Achievement</i> |
| 1998 | New York University School of Medicine, Department of Medicine <i>Bellevue Teacher of the Year Award</i> |
| 2002 | American Medical Writer's Association <i>Award for Best Medical Book for Physicians in 2001:</i> <i>Bellevue Guide to Outpatient Medicine</i> |
| 2004 | New York University School of Medicine, Department of Medicine <i>Bellevue Teacher of the Year Award</i> |
| 2009 | New York University School of Medicine, Department of Medicine <i>Bellevue Teacher of the Year Award</i> |
| 2011-2012 | New York University, (Lifetime) Distinguished Teaching Award |

Major Committee Assignments

| | |
|-----------|--|
| 1986-1993 | Quality Assurance |
| 1994-1999 | Managed Care (chair) |
| 1996-2001 | Clinical Information Committee (chair) |
| 2002-2012 | Utilization Management Committee (chair) |
| 2008-2012 | Peer Review Committee Chair |

Editorial Positions

| | |
|-----------|---|
| 1998-2002 | Section Editor, Western Journal of Medicine |
|-----------|---|

Principle Clinical and Hospital Service Responsibilities

| | |
|-----------|---|
| 1986-2008 | Attending physician, primary care clinic, Bellevue Hospital |
| 1986-1999 | Attending physician, inpatient wards, Bellevue Hospital |
| 1999-pres | Hospitalist, inpatient wards, Bellevue Hospital |

Major Administrative Responsibilities (all Bellevue Hospital)

| | |
|-----------|--|
| 1987-1989 | Director, Primary Care Clinic |
| 1991-1998 | Director, Medical Clinics |
| 1998-2000 | Deputy Director, Ambulatory Care |
| 2000-2001 | Director, Ambulatory Care |
| 2001-2012 | Chief of Medicine |
| 2012-pres | Chief Medical Officer (Medical Director) |

Teaching Experience

| | |
|-----------|---|
| 1986-1996 | Preceptor for medical interns and residents <ul style="list-style-type: none">○ Continuity Clinic○ Two sessions per week |
| 1991-1999 | Bellevue Ward Attending <ul style="list-style-type: none">○ Teaching attending○ Clinical clerkship mentor |
| 1992 | Coordinator of Clinical Epidemiology Course <ul style="list-style-type: none">○ General internist faculty - 18 participants - 6 sessions○ Medical decision-making, hypothesis testing, critical appraisal |
| 1992 | Director of Clinical Epidemiology Training Program <ul style="list-style-type: none">○ General internist faculty - 10 participants - 12 sessions○ Emphasis on developing teaching skills in clinical epidemiology |
| 1994-1998 | Group leader for the Skills of Doctoring course <ul style="list-style-type: none">○ Ten 2-hour sessions over four months○ Medical interviewing, preventive medicine, medical ethics |

- 1994-pres **Primary Care Lectures in Health Policy**
- International health systems
 - Models of health care reimbursement
- 1994-1998 **Coordinator of Monthly Ambulatory Care Blocks**
- Categorical internal medicine housestaff outpatient curriculum
 - PGY-1 - Fundamentals of practice
 - PGY-2 - Principles of diagnosis
 - PGY-3 - Principles of therapy
 - PGY-3 - Preparation for practice
- 1994-2006 **Ambulatory Care Block Conferences**
- Coronary artery disease, cerebrovascular disease
 - Measures of clinical efficacy of carotid endarterectomy
 - Diagnostic principles in pulmonary embolization
 - Rules of evidence in mammography screening
 - Prostate specific antigen testing - benefits and harm
 - Hypothesis testing, p-values, and confidence intervals
 - Likelihood ratios in clinical decision making
- 2007-2012 **Director – Clinical Epidemiology Curriculum for Interns**
- Six-lecture curriculum delivered monthly to interns on ambulatory care block
 - Lectures in Therapeutics, Diagnostics, and Critical Appraisal
 - Weekly quizzes, learning exercises, and a final exam
- 1996-2009 **Principles of Research Course Lecturer**
- Methods course for fellows in the Department of Medicine
 - Sample size estimation
 - Principles of hypothesis testing
- 1997-2001 **Evidence-Based Morning Report**
- Weekly housestaff conferences
 - Critical appraisal and clinical epidemiology
- 1997-pres **Ambulatory Care Clerkship Lecturer**
- Third and Fourth Year medical students
 - Clinical epidemiology - journal club format
- 2001-2009 **Housestaff Journal Club**
- Mentor for biweekly journal club
- 2002-2012 **Morbidity and Mortality Conference**
- Leader of monthly conference at Bellevue
- 2003-2006 **Evidence-Based Cost-Effective Primary Care Series – Faculty Member**
- Sponsored by UCLA and Michigan State University
 - 2003 - Hyperlipidemia, Hormone Replacement Therapy

- 2004 – COPD, CHF, Stroke, the Physical Examination
- 2005 – Diabetes, Hypertension, Depression
- 2006 - CAD, Cancer Screening, Clinical Epidemiology

2008-2012 **Chief of Service Rounds**

- Biweekly inpatient conference for attendings, housestaff, and students
- Clinical case presentation followed by literature review and evidence-based decision making exercise

2009-2012 **Director – Online Research Methods Course**

- Author of 4 modules: introduction to clinical research, data measurement, subjects and sampling, hypothesis testing and sample size estimation
